Notes, Hints & Tips:

- Before use, be sure to rinse the aquarium in tap water to remove any dust.
- Let the water sit for approximately 30 minutes before adding your Betta.
- Remember, your Betta only requires a small amount of food. Please follow the directions on your Aqua One Betta Pellets (#11537) to avoid overfeeding and fouling your aquarium.
- Regular water changes and regular maintenance is highly recommended for keeping you Betta happy and healthy.
