Notes, Hints & Tips:

- Allow the water sit for approximately 30 minutes before adding your Betta.
- Betta fish only require a small amount of food. Please follow the directions on Aqua One Betta Pellets (#11537) to avoid overfeeding which can reduce the aquariums water quality.
- Regular water changes and maintenance is necessary for keeping your Betta happy and healthy.

Warning and Disclaimers:

- Read and follow all safety instructions and important notices regarding this product.
- The use of attachments that are not recommended or sold by the manufacturer may cause the product to be unsafe and should be avoided.
